FATAL SHOOTING TODAY

NATIVE OFFICIAL FIRES ON A DAIRYMAN.

Victim a Portuguese — Assailant Claims He Did the Act in Self Defense—In Prison.

J. C. Pacheco, a Portuguese who operates a small dairy business and lives near C. W. Booth's place in Panoa valley, was fatally shot through the breast by Poundmaster Kaapuni at 8 o'clock this morning.

Kaapuni had arrested a stray cow which turned out to belong to Pacheco. The latter met the former with the cow on his way to the pound and asked him to take the cow to the dairy, promising to pay the costs upon reaching there. When in front of Pacheco's place Kaapuni says he was assaulted and beaten by the dairyman and four or five other Portuguese. In self-defense he drew his 38-calibre revolver and fired. The ball passed through Pacheco's middle breast.

Kaapuni gave himself up and is behind prison bars. Pacheco will die. He is about 45 years of age and has a wife and several children.

EXTRA STEAMSHIP.

It need not be a surprise if the steamer City of Peking turns up from Yokohama about tomorrow with the freight and passengers of the Gaelic. The agents expect her, though no official information concerning the matter is yet at hand. She should have left Yokohama on August 26 to go by the northern route. If ordered this way she will have been out eleven days tomorrow, and should be close at hand.

A CUSTOMS SURPRISE

THREE PROMINENT MEN ARE DISMISSED.

Fishel—Severin—Thos. E. Cooke—Turned Out Summarily—No Reason Given—Some Speculation.

About 9 o'clock this morning Theo. P. Severin and Thomas Cook, head inspectors of the customs house, were summoned to the office of Deputy Collector McStocker and there informed that their services were no longer required.

At the same time Appraiser C. J. Fishel was notified to the same effect. The dismissals produced quite a sensation in the city, both on account of the popularity of the men concerned and the importance of the positions they have been filling. No explanations accompanied the notifications to vacate.

Mr. McStocker was very busy all forenoon and was very reserved when approached on the subject. He said the matter was a delicate one and he could not give anything out today. There is a report that the dismissals were the result of information gleaned by Collector Castle on the Sound and at Vancouver and sent down by the Australia. Another report is that the recent visit of Thomas Cook to Molokai, followed soon after by Officer Harry Evans and the arrest of a Chinaman forms an important link in the case.

Both Severin and Cook on being interviewed declared they had not the slightest idea as to the cause of dismissal.

BRECKENRIDGE IN JAIL.

N. B. Breckenridge, the scoundrel school teacher of Hauula, has met his reward. He is in jail at Port Huron, Mich., charged with defrauding. Chief of Police Petit of that city found a Honolulu passport in Breckenridge's valise and wrote the police department here for particulars of the young man. Petit states that Breckenridge represented himself in Port Huron to be an agent of Castle & Cooke. Deputy Marshal Hitchcock is sending forward a rich fund of information concerning the rascal and his doings.

OPIUM.

Twenty-Six Tins of the Drug Off the S. S. Australia.

Shortly after the arrival of the S. S. Australia this morning Port Surveyor Stratemeyer was informed by Purser McCombe that there was some opium in the ice house. The information had been imparted to the purser by Customs officers in San Francisco. The port surveyor was told that the stuff was in the bottom of the ice house. Mr. Stratemeyer opened up the ice house and found the stuff as indicated. There were two packages containing twenty-six tins of opium. The opium was wrapped up in newspapers. Before leaving San Francisco the purser was told that the dope belonged to two men who were employed on the Australia. One of the men stayed over on the Coast this trip. No arrest was made as the opium was not found on anyone's person.

PROGRESS OF CAMPAIGN

MCKINLEY'S LETTER IS A MASTERLY DOCUMENT.

On Finance—Protection—Open Mills—Mr. Harrison in the East—Bryan Is Still En Tour.

MCKINLEY'S LETTER.

CANTON, O., Aug. 26.—Maj. McKinley's letter of acceptance was given to the press this evening. These are the opening words on finance:

For the first time since 1898, if ever before, there is presented to the American people this year a clear and direct issue as to our monetary system, of vast importance in its effect and upon the right settlement of which rests largely the financial honor and prosperity of the country. It is proposed by one wing of the Democratic party and its allies, the People's and Silver parties, to inaugurate the free and unlimited coinage of silver by independent action on the part of the United States at a ratio of sixteen ounces of silver to one of gold. The mere declaration of this purpose is a menace to our financial and industrial interests, and has already created universal alarm. It involves great peril to the credit and business of the country, a peril so grave that conservative men everywhere are breaking away from their old party associates and uniting with other patriotic citizens in emphatic protest against the platform of the Democratic National Convention as an assault upon the faith and honor of the Government and the welfare of the people. We have had few questions in the lifetime of the Republic more serious than the one which is thus presented.

Other points in the speech include the showing the Republicans are not opposed to silver. International agreement is suggested. "Open mills, not mints." The speech is strong on protection.

The letter is regarded as a masterpiece and thousands have sent congratulations.

Five delegations are scheduled to arrive here tomorrow, the commercial men of Chicago, the Supreme Lodge Knights of Pythias, the Lisbon, O., farmers, German-American citizens from Cleveland and the Workingmen's McKinley Club from Columbus, O.

BENJ. HARRISON.

NEW YORK, Aug. 27.—With the words of McKinley's letter of acceptance on nearly every tongue ex-President Benjamin Harrison acted as the Eastern proxy of the Republican candidate tonight, and struck the keynote of the Eastern campaign in an explanatory and careful speech to 5000 people in Carnegie hall. Half as many people as composed the audience were denied admission because of lack of room. The enthusiasm was tremendous, and the many points were received with hearty applause. Chauncey M. Depew was chairman.

LEAGUE.

CANTON, O., Aug. 28.—A committee of fifteen from the National Republican League reached here at 1:30 this afternoon from Milwaukee. They dined with Private Secretary Boyle and called on Maj. McKinley at 2:30 o'clock this afternoon, when John Goodnoe of Milwaukee made a formal presentation.

BRYAN

BUFFALO, N. Y., Aug. 27.—Apparently the entire population of Buffalo, the home of Grover Cleveland, turned its footsteps tonight toward Music Hall, where Candidate Bryan addressed 4,000 people, as many as could be packed within the four walls, while unnumbered thousands filled the neighboring streets. The day in Buffalo had been the greatest ovation Bryan has received "in the enemy's country."

KNOWLESVILLE, N. Y., Aug. 28.—There were several stops at small stations between Niagara and Knowlesville, but Bryan made no speeches. His voice was getting unmanageable. "My head is willing but my throat is weak," he explained to the people of Lockport, who had chartered a band and burned powder to greet him.

NIAGARA FALLS, Aug. 28.—Bryan left Buffalo by trolley this morning to begin a two days' campaign among the smaller cities of Northern New York.

GOLD COMES FROM EUROPE

UNITED STATES TRADERS IMPORTING COIN AND METAL.

Dun & Co. on the Situation—Advice from London—Bank of England—The U. S. Treasury.

DUN & CO.

NEW YORK, Aug. 28.—R. G. Dun & Co.'s Weekly Review of Trade says: Clearing house certificates have not been issued, but instead gold is coming hither largely, about \$10,000,000 being already on the way. Higher lending rates bring it, notwithstanding foreign events, which disturb London markets and the growing confidence in the monetary future of the country helps.

BANK OF ENGLAND

NEW YORK, Aug. 28.—A special to the Evening Post from London says: There will be further withdrawals of gold from the Bank of England for America. The bank has raised its selling price for bar gold to 77s 11½d. Money rates are rising here, which, if continued, may have some influence on the prices of stocks.

A quarter of a million pounds sterling will go by the American liner tomorrow, while between £700,000 and £800,000, perhaps more, will go by the Campana.

EAGLE DECLINE.

LONDON, Aug. 28.—The Westminster Gazette says the Bank of England is beginning to feel the gold withdrawals, and has reduced the price of eagles and raised the price of bar gold, with the object of inducing shippers to take the eagles.

PROFIT.

WASHINGTON, Aug. 28.—A telegram received from the sub-treasury at New York states that the firm of Lazard Freres today deposited \$500,000 in gold coin in exchange for United States notes. It is stated at the department that the continued exportation of gold has resulted in a considerable contraction in the circulation in this country, and the redundancy abroad has rendered gold importations profitable.

U. S. TREASURY.

WASHINGTON, D. C., Aug. 28.—The treasury gold reserve at the close of business today stood at \$101,770,019. The day's withdrawals at New York were \$96,400. The treasury is advised that \$1,500,000 of gold was engaged today in Europe for export here. This makes the aggregate gold on the way here \$11,000,000.

CRAMPS GOOD WORK.

BOSTON, Aug. 27.—The United States cruiser Brooklyn on her official trial trip today, averaged 21.92 knots an hour during a forced draught run of four hours, and earned a bonus of \$350,000 for the Cramps.

JAPANESE CABINET

YOKOHAMA, Aug. 28.—Premier Ito, also the Minister of the Interior and the Secretary of the Cabinet have resigned.

CONSULATE PLUNDERED.

LONDON, Aug. 28.—A dispatch to the Telegram from Athens, giving an account of the recent troubles in Crete, says that the Moslems plundered the offices of the British Vice-Consulate at Heraklion.

VENEZUELA.

LONDON, Aug. 27.—The St. James Gazette, commenting on the publication of the latest Venezuelan Blue Book, says it regards the step as an indication that the Marquis of Salisbury, contrary to recent assertion, does not intend to submit to arbitration the territory inside the Schomburgk line.

BRAZIL AND ITALY.

NEW YORK, Aug. 28.—The Herald's correspondent in Rio Janeiro cables: Senor Olieineira, the Brazilian Minister to Italy, has had a conference with the Minister of Foreign Affairs in Rome, in which he promised that Brazil would make full reparation for the insults to the Italian flag.

DIAMOND THIEF.

NEW YORK, Aug. 27.—Julius M. Lyon, a wholesale dealer in diamonds in Malden Lane, has made an assignment, caused by the fact that he has been robbed of more than \$150,000 worth of diamonds by a trusted employee. The thief was a relative of Lyon.

THE EAST AND THE WEST

LI HUNG CHANG SETS FOOT IN AMERICA.

The Chinese Statesman Is Given a Cordial Reception—Guest of the Nation Cheered.

NEW YORK, Aug. 28.—Li Hung Chang, who for thirty years held the destinies of China in the hollow of his hand, today set foot upon a new world, under a new sky, among a new people with a government for which his language has no equivalent, and he smiled. It was appreciation and not satire that turned this ancient diplomat's fancy. He was a westerner among easterners. He had dreamed of the sun setting while his country but saw it rise. He journeyed forth and went into lands where the sun lived after it was born, and he is satisfied.

No tribute to a great man could have been more frank or more magnificent than that which descended upon the St. Louis as she brought Li within the environments of the Republic. He was not regarded only as the servant of his master, the Emperor of the oldest empire—it was an acknowledgement of his own greatness. He was as Bismarck, or as Gladstone. He was one of the three great men who are now living who have built empires, fought battles that have saved their sovereigns, made laws that have secured them, lived lives which have been given as lessons to their countrymen. From the time the American liner passed the bar until she reached her pier, she passed through a continuous salute, a splendid welcome.

Li Hung Chang was greeted by the representatives of the Government. He received the salutes of the Army and Navy in this country, which he knows commercially, but which is a terra incognita to him politically. Then came the extraordinary journey from Fulton street to the Hotel Waldorf. He received the cheers and the congratulations of the citizens of the freest country on earth, he, the representative of the most absolute despotism, and the estimate of Li Hung Chang among those who saw him and conversed with him is that he is one of the elect of the earth.

ZANZIBAR

ZANZIBAR, Aug. 27.—The palace of the Sultan of Zanzibar was bombarded this morning by British ships, and at noon was a mass of blazing ruins. The usurping chieftain, Said Khalid, and the commander of his forces, Said Sales, escaped to the German Consulate, where they remained under the protection of the German flag. Great Britain will most likely annex Zanzibar.

MANITOBA SCHOOLS.

WINNIPEG, Manitoba, Aug. 28.—Premier Laurier's efforts to settle the Manitoba parochial school question seem to be futile. The compromise accepted by the Greenway Government does not suit the Roman Catholics.

COLORED ENSIGNS.

NEW YORK, Aug. 28.—The Washington correspondent of the Mail and Express telegraphs: The Navy Department is stirred up over the prospect of two colored naval officers. It has just been learned that among the young men who have presented themselves at the Naval Academy at Annapolis for examination next week are two very bright young colored men.

SPANIARD BOYS.

BOSTON, Aug. 28.—Lieut. Alvarez of Gen. Maceo's forces has arrived here. He believes the struggle for Cuban freedom will be ended before cold weather sets in. It is true Maceo has only 8000 or 9000 men with which to oppose the 40,000 troops of Gen. Weyler, but the lieutenant declares that these 40,000 are almost all boys.

BLACK FOR GOVERNOR.

SARATOGA, N. Y., Aug. 26.—The sincerity of Thomas C. Platt was quickly verified today when the Republican State convention got down to business and the following ticket was nominated with practically little friction. For governor, Congressman Frank S. Black of Troy; Lieutenant-Governor, Timothy F. Woodruff of Brooklyn; Judge of the Court of Appeals, Irving C. Vann.
